

Virtual **S2S** program

Surgeon-to-surgeon collaboration

Featuring

James Sanfilippo, MD, MBA

Reconstructive Orthopedics
Moorestown, NJ

Visitor profile: Surgeons of varying experience interested in the lateral approach, the Niagara Lateral Access System, an efficient workflow, and transitioning from inpatient to outpatient surgery centers

To submit an S2S request, please **click here**.

Please contact Michelle Dulik at **michelle.dulik@stryker.com** with any questions.

A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery.

600 Hope Parkway SE
Leesburg, VA 20175
t: 571 919 2000

The information presented is intended to demonstrate the breadth of Stryker product offerings. A surgeon must always refer to the package insert, product label and/or instructions for use before using any Stryker product. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Stryker representative if you have questions about the availability of Stryker products in your area.
